Meeting Happenings To Bellmore Kiwanis

Members and all of our prospective members. Greetings to all of our Kiwanis Family of the Bellmores. It's been a long while since a notice was sent to all members and Co-Pres. John and Kevin and the Board have decided that our next night meeting on March 17th will be a business meeting.

We have much to discuss: We will hopefully find a means to get greater attendance at our meetings. A final report on the Bellmore Street Fair and comments in light of the current financial problems our community is facing and how we can help families in distress. Perhaps greater help to the Community Food Pantry. Our Kamp Kiwanis needs more help after the devastating hurricane season. And by the way we received a call

from Janet Seyfried, our coordinator of Shore Road School saying she already has four children to go to Kamp. Our goal is 11.

Walter Andersen reports that the placemat ads are at about 75%. We ask all members to get a sponsor. It's only \$25.00.

Our financial position is good, not excellent but we have enough reserve to meet our commitments. Hopefully this year we can resume the family pool passes.

Treas. Charlie will be on hand and he promises a very detailed report on how our money is being spent and will be there for your information. You read off all the checks we have dispensed and any explanation that is requested.

And finally most important it's time to select our officers and Board for the coming 2009/2010.

We realize that the next night meeting is Tues. March 17th, St. Patrick's Day, and you will have had enough corned beef and cabbage and will be grateful for Piccolo's delicious cuisine.

Our next Spouses/Guests night is Tuesday April 7th.

Please make a special effort to join us on the night of March 17th, St. Patrick's Day, our host Tom V. promised a green night, including the wine.

And a special invitation to those of you who have missed some of our meetings. Come on down and join the pleasure of Kiwanis kinship!!!
